## “A Letter from The President”

Hopefully everyone enjoyed a wonderful holiday time and now we welcome in 2022 with what is typically the busiest time of the season for DSRV Resort. Our Resort community should be at its peak occupancy in January and February, and we hope to have activities to keep you happily busy and fun events for everyone to enjoy.

December was put to good use as the Board worked with our legal counsel to finalize our proposed regulatory documents. We are currently planning to hold an introductory overview session of the key proposed changes on the morning of the January annual open meeting and plan on getting the documents and voting materials out for a January 16<sup>th</sup> to February 16<sup>th</sup> voting window. The approval of these documents is one of the most important things everyone can do to help support our Resort. You will hear more as the month progresses, but please look for these voting materials and turn in your vote. It's a heavy lift to modify our regulatory documents and every vote counts.

January is also the month that David plans to migrate everyone to the new RFID system, as he identifies in his note to the community. This will be a phased migration and look for more specific instructions to come from David as to when it will be your turn.

January and February represent the heart of our season. The rise of a new Covid-19 variant poses some challenges, but if we all just stay cautious and safe, we should still be able to have a great time. For those of our community who seasonally travel, it's hard not to look at the weather back home and feel so grateful to be here. Wonderful weather, great friends, fun activities...what a fantastic way to spend the winter!

# Me Again...

Happy New Year from your team at Desert Shadows RV Resort, your gateway to fun in the Coachella Valley. I hope you enjoyed the Holiday Season with family and friends, and that your New Year is off to a great start.

We are excited to start the roll out of the new RFID entry system at our gates. Keep a lookout for emails from us as to when to bring your vehicle to the office to have the RFID decal placed on your car.

We will be following a new registration process for guests. Many owners have not informed their guests of our Rules & Regulations and the required fee's for registration. This is important for owners to read, so keep an eye out for those emails too.

With the ever-changing Covid restriction it is difficult to plan events, but our Director of Fun, Megan has been keeping busy trying to keep everyone active and having fun.

David

# ACTIVITY SPOTLIGHT:

Welcome 2022, let's hope the new year brings us the change we are all desire. There is something for everyone here, if there is something you'd like to see that we don't offer please come see me, I'd be happy to figure out a way to make it happen.

Our season is still dealing with Covid restrictions, and I know it's frustrating. But we are trying to offer a variety of events in a safe environment for everyone here at Desert Shadows. I know that we all just want to get back to normal, unfortunately that doesn't seem to be happening, so let's embrace the "New Normal" and go with the flow! We have all kinds of special events planned for January and hope you will attend in full force! We will continue to have outdoor concerts and food events for the time being. We have purchased some patio heaters and plan to get some fire pits to help make the outdoors cozier!

We have some great entertainment lined up for January, like "The John Denver Story" from William Florian, JB And the Circle Riders as well as Ron Stubbs the Hypnotist. These performers are all very excited to come and perform for you so please come out and support them! We also have a Hoffy Feed, a late afternoon pizza party and other fun events like Trivia Happy Hour and Singo... Bingo with at Beat. It's a fun music Bingo game guaranteed fun! Come try something new, it may turn out to be your new favorite thing!
